## **FUEL Magazine Wins Coveted Azbee Award**

HOUSTON, TEXAS (Aug. 3, 2007) - - - Hart Energy Publishing is pleased to announce that FUEL magazine has won an Azbee -- a national award in the 29th Annual Awards Competition of the American Society of Business Publication Editors (ASBPE). FUEL won the silver award in the New Publication Design category. ASBPE's competition is the largest in the United States. The award was announced at the awards banquet at the National Editorial Conference in New York City on Aug. 2, 2007.

FUEL is an international magazine focusing on topics relevant to the refining and transportation industries, including sustainability and public policy. FUEL readership includes refining, transportation and government policy executives as well as analysts, investors and business partners within these industries. The latest issues can be read at <http://fuel.epubxpress.com/>

Headquartered in Houston, with representation in New York, London, Washington, Brussels, Bahrain, Singapore and many other international cities, Hart Energy Publishing's market-leading publications include *Oil and Gas Investor*, *E&P* and *PipeLine and Gas Technology*. Hart also produces newsletters, custom-published products, conferences and unique multi- and single-client consulting services.
